

Reminder

February 15, 2017

Licence Renewals Going Paperless as of April 1, 2017

As first mentioned in the [January 24, 2017 Bulletin](#), salesperson licence renewals are currently being sent out via email and mail 30 days prior to your expiry date.

As of **April 1, 2017**, only electronic renewals will be sent. If you wish to continue receiving a paper renewal, you need to let the VSA know **before April 1, 2017**.

You can contact the VSA Licensing Department at 604-575-7256 or licensing@mvsabc.com if you wish to continue receiving a paper renewal form or have any other questions.

Renewing online is the fastest and simplest method. You will need to login through [Online Licensee Services](#) before your licence expires. With an online profile, you can update your information, register for Continuing Education modules and see your course marks, as well as view and print payment receipts.
